7 Laws of the Universe

Law of Rhythm:

Everything moves in perfect rhythm and perfect speed.

Nature moves in Rhythms: Seasons, planets, stars, sun, moon, birth and death, tides, etc.,

- Business moves in seasons:
- Season of getting it off the ground.
- Season scaling
- Season of seven figures
- Season of hiring
- Season of systems
- Season of processes
- Season of rest
- Season of planting seeds and a season of harvest
